Funding Opportunities for COVID-19 research

The Office of the Vice President for Research and Innovation has a research [UO COVID-19 FAQ](#) page with excellent resources regarding research, including specialized funding opportunities related to COVID-19.

Equity and Inclusion in Research at UO

The Office of the Vice President for Research and Innovation published [new webpages focused specifically on equity and inclusion in research](#). We encourage you to review the resources shared here and provide feedback as we move forward in addressing systemic racism in higher education. Also, diversity and inclusion opportunities listed in this newsletter are now featured in their own section.

Curated Pivot Searches

[Pivot](#) is a funding opportunities database of available external funding opportunities from federal, non-federal and international sponsors across all disciplines and is accessible to UO researchers using your Shibboleth login.

Visit our [Getting Started with Pivot page](#) to learn more about using the powerful online [funding database tool](#). We will show you how to identify funding opportunities, save alerts for on-going searches, and identify collaborators.

NOTE: These curated reports can only be accessed while you are on the UO network or using a UO VPN. If you receive an authorization error, please clear your browser's cache and cookies, and then try again. Please see the "Connecting to UO VPN" for more information about using the UO VPN.
